

Johnny Denis LDC Report 20.02.23

Ringmer Pool

I'm delighted that money has been set aside by LDC, in its annual budget to be decided at the Council's meeting this evening (Monday), for investment in its leisure facilities – including Ringmer Pool.

While this is an exciting confirmation that money is in the pot for bringing our pool back into use we are not out of the woods yet as the County Council has not yet agreed terms with Lewes District Council. It is not certain what the hold up is.

Lewes District Council

The Councils budget will recommend a 1% increase in Council Tax, continuing the 100% Council Tax Reduction Scheme for those on lowest incomes and maintain the hardship support schemes for those hit most by the Cost of Living Schemes.

The £200K Community Infrastructure Levy investment by LDC in Ringmer Area Community Land Trust homes on Laughton Road was recently in the news.
